FAIR INFO

China (Wenzhou) Int'l Leather, Shoe Material & Shoe Machinery Fair-(LST for short) is an influential and noted trade fair dedicated to shoe industry. It specializes in shoe machinery, material and leather products. It is held in the shoe capital of China, gathering all shoe-tech benefits from local networks along with nearby industrial resources. Being the converging point for all of industry's stakeholders, this event has gained bounds and leaps in the recent years. It respects prevailing varieties of leather products and tend to advertise each one of them with same intensity. **The 2019 EXPO STATS:46,000sqm, 700 exhibitors and 25,000 visitors**
