# About WZPV

**China (Wenzhou) Int'l Pump & Valve Fair** (WZPV for short) is an emerging international fair cooperated with the government, which determined to become one of the world's leading trade fair for pump and valve industry. The fair is held in Wenzhou city, known as the "Home of China High Quality Pump & Valve Suppliers", where leading-edge technology and reliable products of pumps and valves originate from. With 30,000 sqm exhibition scale, over 500 exhibitors and more than 20,000 visitors all around the globe will gather together to exchange their professional experience and advanced technical knowledge.

Aiming at comprehensively integrating the industrial chain resource of pump and valve industry, WZPV summons famous brands in Zhejiang Wenzhou, Taizhou, Jiangsu, Sichuan, Shanghai, Beijing, Tianjin, Hebei, Shandong, Shanxi and other manufacturing areas, creates an international and domestic business networking platform.

With the process of development of Wenzhou blending in the integration of the Yangtze River Delta at an increasing speed, the influence of the fair will be increasing and expanding. It will be the leading fair and trade platform in aspect of fair scale and industrial influence in the South Zhejiang province.
